Fundraising***Thrifty's Smile Card***

Thrifty Foods gives our PAC 5% of the amount spent on all purchases made through Smile cards linked to our school. The card is free. All you have to do is get one at the front desk at school, load money on it at the store then use it to pay your groceries. Proceeds go to our music program.

Fairway Market card

This card works much the same as the Thrifty Foods Smile card. Fairway Market gives back to the PAC 5% of all purchases made through the cards linked to our school, with no limit. We'll be spending those funds to help finance school activities. The Fairway Market card is free. Get yours at the front desk at school. If you already have a card but it is dated prior to November 4, 2017, you'll have to get a new card.

New for 2018 : FundScrip

FundScrip offers gift cards for over 230 merchants. You pay the card value, plus \$0.85 in shipping. The PAC receives a percentage (2-10%) of the card value. Use your FundScrip cards like cash at places like Amazon, grocery stores, big box stores and restaurants.

Buy them for day-to-day purchases or as gifts. Invite your family, friends, colleagues and neighbours to participate. Visit www.fundscrip.com and use invitation code "JH7ULV".

Cops for Cancer "Tour de Rock" 2018

The annual « Tour de Rock » kicks off September 22, with a stop in Esquimalt on October 5. Save your empties for a bottle drive coming soon to the school. Visit www.tourderock.ca for event information. Brodeur parent Chantal Ziegler (Chantal_ziegler@parentsbrodeur.ca) is the school contact.

Did you know?

The school's « Comité vert » is looking for volunteers again this year to help in the weekly bottle collection for consignment at Island Return-It. A car is needed, though the recycling depot is only 750m from the school. Proceeds go towards environmental initiatives planned by the PAC committee. Please contact grace_kerr@parentsbrodeur.ca if you can spare some time. Thank you!
